NOTE: Requests for items in FSC Groups or Classes other than the above should be referred to the agency head for consideration and approval.

(b) Excess personal property/equipment may be donated for cannibalization purposes, provided the donee submits a supporting statement which clearly indicates that cannibalizing the requested property for secondary use has greater potential benefit than utilization of the item in its existing form.

§ 2812.6 Title.

Title to excess personal property/equipment donated under this Part will automatically pass to the donee once the sponsoring agency receives the SF-122 indicating that the donee has received the property.

§ 2812.7 Costs.

Donated excess personal property/equipment is free of charge. However, the donee must pay all costs associated with packaging and transportation, unless the sponsoring agency has made other arrangements. The donee should specify the method of shipment.

USDA requires that property requested by a donee be placed into use by the donee within a year of receipt and used for at least 1 year thereafter. Donees must maintain accountable records for such property during this time period.

§ 2812.9 Disposal.

When the property is no longer needed by the donee, it may be used in support of other Federal projects or sold and the proceeds used for technical and scientific education and research activities.

§ 2812.10 Liabilities and losses.

USDA assumes no liability with respect to accidents, bodily injury, illness, or any other damages or loss related to excess personal property/equipment donated under this part. The donee is advised to insure or otherwise protect itself and others as appropriate.
